***MSA Independent  
Of National Group***

The University's Missouri Student Assn. has not been affiliated with the National Student Assn. since 1961. The MSA Senate voted to withdraw then, and at a referendum in 1963 decided to continue operating independently.

MSA receives all its financial support from the University. Richard Fabnitz, treasurer, said the organization receives \$8,000 from the University Book Store and \$2 per student for activity fees each semester.
